State Training Guidelines Workgroup

Training/Curriculum Recommendations

The intent of this Training Guideline is for the development and presentation of training content. Curricula based on this guideline will contribute to statewide training quality, uniformity, and reciprocity.

Topic: *Due Process/Exercising Rights/Grievance and Appeals*

Defining Paragraph (Vision, Boundaries, Overall Outcome Statement):

All individuals seeking services from the public mental health system have rights that are protected by Federal and State laws, including the Michigan's Mental Health Code. Due Process/Grievance and Appeals are the right of every person seeking or receiving mental health or developmental disability services from a Community Mental Health Service Provider or its contracted agencies. All individuals have the right to a fair and efficient process for resolving complaints regarding their services and supports.

Definitions:

Content – These are a listing of the areas covered in the subject.

Outcomes/Competencies – These are statements about what participants will be able to do as a result of having participated in the course.

Outline – A suggested approach to meeting Outcomes/Competencies.
