State Training Guidelines Workgroup

Training/Curriculum Recommendations

The intent of this Training Guideline is for the development and presentation of training content. Curricula based on this guideline will contribute to statewide training quality, uniformity, and reciprocity.

Topic: *Recipient Rights*

Defining Paragraph (Vision, Boundaries, Overall Outcome Statement):

Every person who receives mental health services has certain rights which are protected by the Michigan Mental Health Code. This course will help the participant to support an individual's rights as well as be able to identify various forms of rights violations such as abuse and neglect. Participants will understand reporting requirements and be able to accurately implement the requirements.

Definitions:

Content – These are a listing of the areas covered in the subject.

Outcomes/Competencies – These are statements about what participants will be able to do as a result of having participated in the course.

Outline – A suggested approach to meeting Outcomes/Competencies.

These three are interrelated, but not necessarily a one-to-one relationship.
