

MICHIGAN DEPARTMENT OF HEALTH & HUMAN SERVICES

# BHDDA/OROSC Response to the Opioid Crisis

---

Larry Scott, Ed.S

Director for the Office of Recovery Oriented Systems of Care

*Putting people first, with the goal of helping all Michiganders lead healthier and more productive lives, no matter their stage in life.*

# Opioid STR Grant

---

The MDHHS was awarded a 2-year State Targeted Response to the Opioid Crisis (STR) Grant from SAMHSA in April 2017 for \$16,372,680 per year.

The purpose of this grant is to increase access to treatment, reduce unmet treatment need, and reduce opioid overdose related deaths from Opioid Use Disorders (OUDs).

# Opioid STR Grant Overview

---
